

We protest Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary. Public airways are free and so broadcasters are obligated to serve the public interest. A one-sided political documentary does not serve the public interest unless they also show a pro-Kerry documentary like "Going Upriver." Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
